

DESIGNED BY

Kevin Boland

CHARACTERISTICS

Curvaceous | Cocooning | Pampering

COLLECTION

The Tamaru day bed, complete with half moon side tables, takes on a natural form inspired by a shape of sea coves. Curvaceous and cocooning in design, the traditional caning weave style hints of tranquil bygone days. Perfect for curling up with a good book or loved one.

CUSTOMISATION

Choose your Rehau® fibre colour and Sunbrella® cushion colours to style it your way. Make the final statement with OHMM® Accent cushions.
