COLLECTION

Our take on a classic table design to pair with any OHMM® arm chairs for a contemporary feel. Now available with High Pressure Compact Laminate (HPCL) top slats - extremely durable, impact and moisture resistant as well as anti-bacterial. Also available in teak slats, finished with marine grade matt varnish to keep the teak looking premium and protected. Perfect for those long al fresco lunches with family and friends.

CUSTOMISATION

Choose your powder coated frame finish and table top to style it your way. Seating is spaced for comfort and there is some room to compress gaps between chairs.

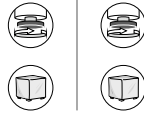

COMBINES WELL

Combines well with all OHMM® chairs.
