

PREMIUM PARASOLS

DESIGNED BY

Dougan Clarke

CHARACTERISTICS

Nautical | Stylish | Durable

COLLECTION

Born from the marine industry, every single Tuuci parasol is meticulously engineered and constructed by hand to perform in any environment. Made from marine anodised aluminium frames with high quality marine grade acrylic fabrics. But they don't just perform, they also turn heads. Choose Fibre Flex models for very windy environments.

CUSTOMISATION

Choose your canopy shape and colour to style it your way.
