Cocooning | Pampering

COLLECTION  
OHMM's first collaboration with industry veteran, Bernd Henkenhaf - the Nest day bed was inspired by Rausch's iconic Eden Roc collection and makes a stunning statement. Naturally cocooning, giving one a comforting sense of recluse. Ideal for curling up with a loved one - a good book - or simply to dream.

CUSTOMISATION  
Available without or with a canopy (non retractable). Option of half moon side tables – fully woven or fully woven with clear impact resistant tempered glass. Choose your Rehau® fibre colour and cushion colours - as well as a canopy colour to style it your way. Make the final statement with OHMM Accent cushions.
