

TUUCI

PREMIUM PARASOLS

Design | Dougan Clarke

CHARACTERISTICS

Nautical | Stylish | Durable

DESIGN

A USA parasol brand, every single Tuuci parasol is meticulously engineered and constructed by hand to perform in any environment. Made from heavy duty gauge aluminium alloy with an anodised finish and high quality marine grade acrylic fabrics. But they don't just perform, they also turn heads. All parts are serviceable to ensure years of service. For both residential and commercial installations. Stylish premium products.
