

7 REASONS TO CHOOSE OHMM

WORLD CLASS QUALITY

We own our manufacturing facility where we meticulously manage and quality control every step of production. Each piece of OHMM furniture is lovingly handcrafted in-house with care and pride. We only use best-in-class materials and combine this with the world's best woven furniture craftsmen – and we believe you have a product that is simply world class.

DESIGN & CUSTOMISATION

We have a simple philosophy - that great design gives us pleasure and improves the quality of our lives through products that work well, are affordable and look beautiful. Furthermore, we offer an unprecedented choice of fibre and fabric options - so you have the freedom to customise your OHMM furniture.

DURABILITY & LOW MAINTENANCE

Outdoor furniture has to withstand some very rough treatment and our quality of build is second to none coupled with weatherproof fibre and fabrics. OHMM products are low maintenance and easy to clean which all adds up to giving you many years of carefree performance.

SUSTAINABILITY & NO FALSE ECONOMY

We recycle all we can and our products are toxin free, but we firmly believe the biggest sustainability factor is that OHMM products will last years with proper care. Investing a little more in quality products simply makes good sense - so you save money in the long run. Good for Mother Earth too. Important.
