

# WHAT OUR CLIENTS ARE SAYING

Best quality outdoor furniture in Singapore. After 10 years the furniture still looks like new. This and their great after sales service mean that we have gone back to OHMM many times over the years to expand our collection. DAVID

Incredibly easy experience for us pick out our outdoor furniture. Staff were a great help and kept us updated as our furniture came in. Would highly recommend not only due to their customer service but beautiful outdoor furniture. We love it!! GINGER

Real great service by the sales team. Items look pricy but hey quality remains long after the price has been forgotten. Value for money, you pay for great quality of product and service. Purchased a day bed and was worth its price. JAN

Last I bought from OHMM was almost 10 years ago and I bought from them again. The team provided a seamless service without even visiting the shop. Products really last a long time and the designs are timeless. Thank you and keep it up! Definitely my go-to place for outdoor furniture. LAI

Just completed delivery of my OHMM dining set and the purchase and deliver process has been just super. Great aesthetics, great quality and great service! ED

Fantastic quality and customer service. The outdoor furniture that we bought years ago still looks as good as new and the cushion cover fabrics have not faded at all. RON

I ordered my pieces in late Feb, and had them delivered within 6 weeks. Super smooth process with the sales staff who were helpful and kind. I've previously purchased from OHMM and their furniture has lasted my family over 16 yrs and still looks practically new, so I was more than happy to repurchase. GIA

Been using OHMM outdoor furniture for 4 years now and all still in very good condition! Recently just bought another bench. OHMM is always our first choice for outdoor furniture! CINDY

The service provided by the showroom staff and the delivery team is commendable. Repeat customer and always confident they will deliver the goods as promised. EN

I searched online multiple times for good quality outdoor furniture and finally found OHMM. I visited the store and was not disappointed. All of the outdoor furniture are of great quality, albeit pricey but you get what you pay for. SARAH

Back buying a new set after 12 good years from our first purchase from OHMM. Yes, it lasted 12 years under Mother Nature and to us, that's brilliant!! Add that to the good service rendered - Marvellous!! DANIEL
