

OHMM BAR CHAIRS

What makes OHMM Bar Chairs Special?

It's a good question. Over the past two decades we've developed key features that go into designing and making world class outdoor bar chairs.

OHMM outdoor bar chairs deliver exceptional high performance and are built for high usage environments.

Advanced ergonomic features provide exceptional comfort and superior product build ensures years of lasting service.

Its all in the details. Details matter. Always.

Handcrafted fully welded 1.6mm gauge virgin aluminium frames for strength, then powder coated for enhanced corrosion protection

Hand woven with German engineered weatherproof OHMM fibre for durability & good looks

Choose from a carefully curated selection of fibre colourways to style it your way

Each piece has its own unique serial number as part of our Quality Control protocols

Ergonomic designed seat and back for comfort even without cushions

Cushions are optional for that extra comfort along with straps to keep them in place

OHMM DryPro+ weatherproof cushions optional – so you don't have to worry if it rains

Stainless steel grade 304 footrest protects against scuffing and for good looks

Extra thick - replaceable - heavy duty nylon gliders for durability
